Welcome to Your Library

My name is Ms. Evans. I am your school librarian. I have thirteen years of experience teaching children and adults from here to China. My qualifications include a master’s degree in education, a certification to teach ESL (English as a Second Language), and a Tier 3 teaching license. I love to read, hula hoop, and do puzzles. I have two daughters; they are two and four years old. I am learning Spanish.

We are very fortunate to also have a wonderful library assistant, Ms. Rickard. Ms. R and I both thank you for your support.

Books
We have recently purchased hundreds of new high-interest books, Spanish books, and bilingual books. Thank you for helping your child to take care of and return books so that everyone can enjoy them.

Schedule
We have a different schedule this year. Students come to library class on different days each week. Library class dates are listed on the School Library bookmarks students bring home each week.

Library Renovation
Thanks to State Senator Mimi Stewart, the legislature has approved $100,000 for new furniture and shelving for our library. Keep an eye out for these exciting changes sometime this year!
